

# SonarWiz Annual Training

## Nashville, Tennessee

### December 9-13, 2024

Join Chesapeake Technology in beautiful Nashville for our annual year-end SonarWiz training event this December. Attendees will use the latest SonarWiz 8 and learn the latest features of SonarWiz, along with the best practices to improve work and efficiencies of using the software for data collection and processing. We are pleased to be again welcoming our hardware partners to demonstrate their latest products throughout the event, with tabletop displays and boat demos.

As in past years, we will be offering a SonarWiz 101 course on the Monday, as well as talks by industry partners
