SCHOLARSHIP CRITERIA and AWARD PROCESS

Scholarship is available to an applicant who meets the following criteria

- Is a full-time college student (undergraduate- 12 credits/semester), who is currently enrolled in a college or university located in the US, in a two- or four-year program and demonstrates a keen interest in pursuing a career in hydrographic surveying or related fields.
- High school senior who has applied and been accepted in a full-time U.S. college or university located in the US with accreditation recognized by the U. S. Department of Education, and who also demonstrates a keen interest in pursuing a career in hydrographic surveying or related fields.

Applicant must be a citizen, permanent resident of the U.S., or hold a student, educational based visa
If an applicant holds a student visa and is fully funded by GEBCO or NOAA, they cannot apply.

Applicants must be a THSOA member in good standing (you can sign up for membership during the open application period).

Applications for the current scholarship award will be accepted between December 1 and January 06, 2023.

Applications will be reviewed by the THSOA- US HYDRO Sponsorship Committee.

Scholarship winners will be announced by January 20, 2023.

14 students from across the country will receive the conference sponsorship. The sponsorship will cater for transport to and from the conference, accommodation and a food stipend for the meals that are not catered for at the conference. Selection will be based on a combination of academic performance, letters of recommendation, and answers documented in the application process.

Students who receive the THSOA National or Chapter education scholarship for the 2022-2023 school year will not qualify for this.
